This Air Force instruction (AFI) implements Department of Defense Directives (DoDD) 1334.1, *Wearing of the Uniform*, 11 August 1969; 1348.33, *Military Awards Program*, 26 August 1985; DoDD 1300.17, *Accommodation of Religious Practices Within the Military Services*, 3 February 1988; and Air Force Policy Directive 36-29, *Military Standards*. It directs the wear of uniforms, insignias, awards, and decorations. It describes minimum standards of personal appearance of Air Force members in uniform and standards of civilian dress and appearance. The Uniform Code of Military Justice applies to personnel who violate the specific prohibitions and requirements of this instruction. The Chief, Military Personnel Flight (MPF) assigns an office within the Customer Support Section to be the Office of Primary Responsibility (OPR) for this instruction.

(910 AW) This supplement provides instructions pertaining to the wear of civilian clothing by military personnel assigned to Services (**Table 1.1**); functional clothing (**Table 2.2 and Table 2.4**); insignias (**Table 2.2 and Table 2.4**); patches (**Table 2.2 and Table 2.4**); outer garments (**Table 2.1**); and wearing of military issue by Air Reserve Technicians (**Para 3.1.2**). AFI 36-2903, 8 Jun 99/AFRC Supplement 1, 1 Feb 99, is supplemented as follows:

Table 1.1. Commander's Responsibility. (910 AW) Military personnel assigned full-time duties in Officer and NCO club facilities, recreation centers and sports centers are authorized the optional wear of civilian clothing while performing military duties. When civilian clothing is authorized in performance of military duty, all personnel within the duty section will match (Blazers, shirts, trousers, coveralls, etc.). Service Officer must have prior approval of authorized civilian clothing from installation of commander. Once forwarded for coordination, it will become an attachment to the 910 AW Supplement to AFI 36-2903.

Table 2.1, Line 8, Item (pullover Sweater) (910 AW) The wear of a tie or tab with all uniform combinations is optional except Dress Uniform is mandatory.

Table 2.2, Line 11, Item Undergarments (Undershirts) (910 AW) Installation Commander has authorized the wear of a squadron cloth or silk screen emblem to be worn on left side of chest not to exceed 5 inches in diameter; only white with food service and hospital whites. Emblem must not be visible when BDU shirt is worn.

Table 2.2, Line 12, Item (Patches) (910 AW) The installation commander has delegated approval authority to unit commanders on wear of subdued squadron patch. If no squadron patch is approved the wing patch will be worn. The patch will be worn on the left breast pocket, centered between the left and right edges and bottom of flap and bottom of pocket, and the organizational patch is not worn.

Table 2.2, Line 13, Item Other (910 AW) Gortex Parka Insignia Requirements: Non-subdued metal grade insignia centered on the front tab while in garrison may be worn by officer and enlisted personnel. Note: Grade insignia will not be worn if safety requirements prohibit. While in military status, the Gortex parka is authorized to be worn only with the BDU and hospital white uniform. The installation commander has authorized the wear of the Gortex parka by the loadmasters and flight engineers performing crew duties.

Table 2.3, Line 12, Item (pullover Sweater) (910 AW) The wear of a tie or tab with all uniform combinations is optional except Dress Uniform is mandatory.

Table 2.4, Line 14, Item Undergarments (Undershirts) (910 AW) The installation commander has authorized the wear of a squadron cloth or silk screen emblem to be worn on left side of chest not to exceed 5 inches in diameter; only white with food service and hospital whites. Emblem must not be visible when BDU shirt is worn.

Table 2.4, Line 15, Item (Patches) (910 AW) The installation commander has delegated approval authority to unit commanders on wear of subdued squadron patch. If no squadron patch is approved the wing patch will be worn. The patch will be worn on the left breast pocket, centered between the left and right edges and bottom of flap and bottom of pocket, and the organizational patch is not worn.

Table 2.4, Line 16, Item Other (910 AW) Gortex Parka Insignia Requirements: Non-subdued metal grade insignia centered on the front tab while in garrison may be worn by officer and enlisted personnel. Note: Grade insignia will not be worn if safety requirements prohibit. While in military status, Gortex parka is authorized to be worn only with the BDU and hospital white uniform. The installation commander has authorized the wear of the Gortex parka by the loadmasters and flight engineers performing crew duties.

3.1.2. Military issued clothing such as cold weather Parka or Gortex jackets may be worn without rank insignia by Air Reserve Technicians (ARTs) in the performance of their civilian duties.
